# THE MAN WHO MISTOOK HIS WIFE FOR A HAT

A Brief Exploration of Some of History's Most Interesting Psychological Phenomena

## DESCRIPTION:

- As bizarre as the title may sound, this is not a work of science fiction written to explain the possible effects of wearing a sombrero costume for Halloween. Instead, this course will briefly explore various psychological phenomena, and some of their "interesting" effects, to put it lightly.

## PREREQUISITES:

- A brain that does not bring in a wife on top of it.

## TOPICS:

- The Man Who Mistook His Wife for A Hat
- People Choked by Their Own Hand
- Imposters! ... All of You! ~or~ You are all the same person!
- My body is rotting away and doesn't exist.
- My imaginary bugs are now on you now.
- That flake of paint sure looks tasty!
- Should time allow, some more "interesting" things, this time in the case of historical "treatments" for many afflictions in times past.

## DURATION OF CLASS:

- 50 Minutes
