

OnShape Account Creation

Go to onshape.com, click "Sign in"

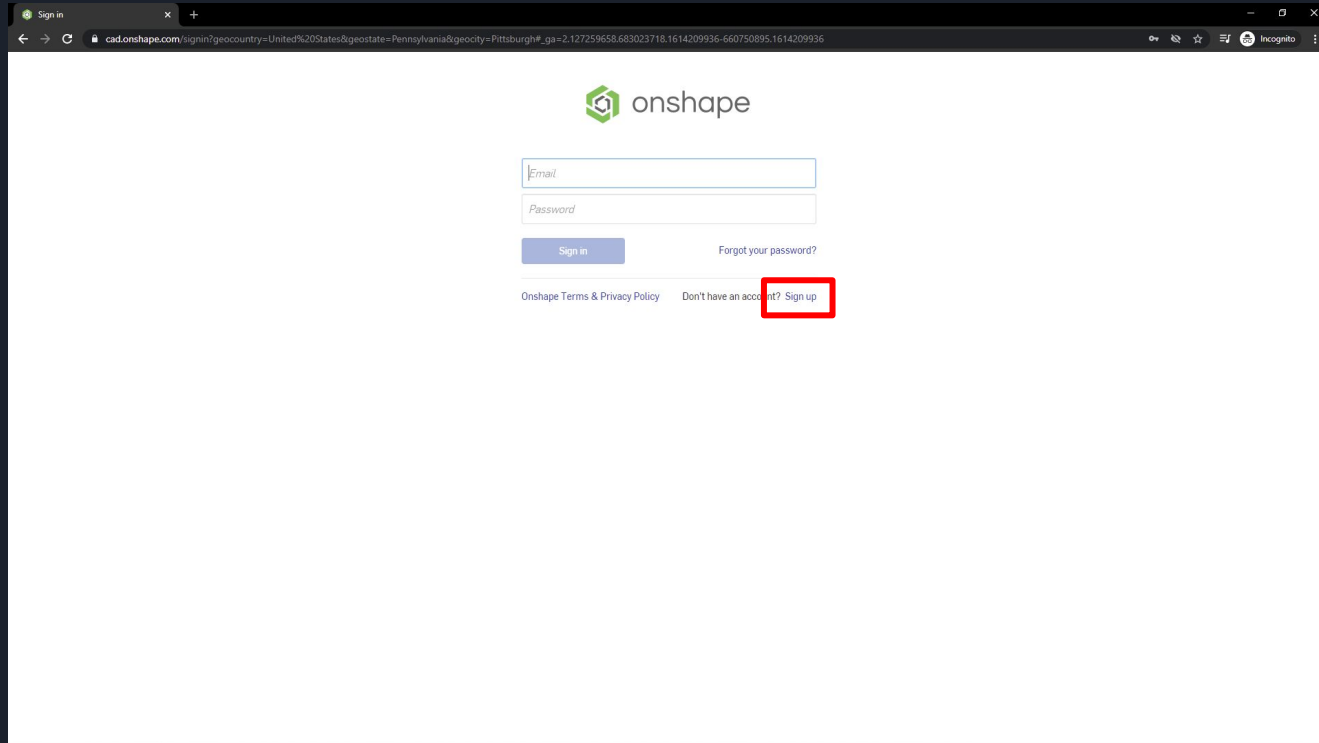

The screenshot shows the OnShape website homepage. The navigation bar includes links for PRODUCT, PRICING, RESOURCE CENTER, and INNOVATION BLOG. A search icon and language selector (EN) are also present. A prominent green button labeled "SIGN IN" is highlighted with a red box. Below the navigation bar is a banner for the "Virtual User Conference" on Thursday, March 11, 2021, with a "REGISTER NOW" button. The main heading reads "Connect, Collaborate & Create Better Products in the Cloud". Below this, a sub-heading states: "Onshape is the only Software-as-a-Service (SaaS) product development platform that combines CAD, built-in data management, real-time collaboration tools, and business analytics." Two buttons are provided: "LEARN MORE" and "SEE HOW IT WORKS". The lower portion of the page features a technical drawing of a mechanical assembly with a parts list table and a chatbot icon in the bottom right corner.

OnShape Account Creation

Click “Public Maker Plan”

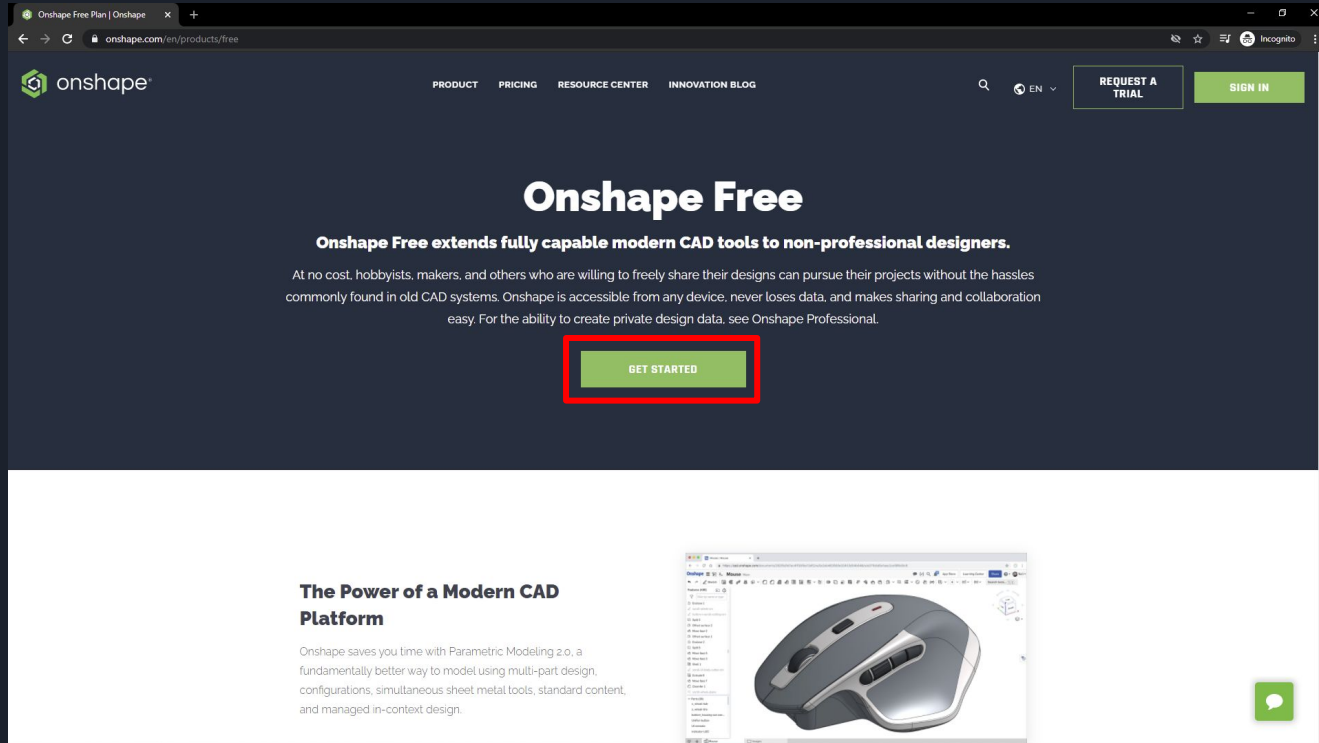

The screenshot shows the OnShape sign-up page. The browser address bar displays "onshape.com/signup". The navigation menu includes "PRODUCT", "PRICING", "RESOURCE CENTER", and "INNOVATION BLOG". There are buttons for "REQUEST A TRIAL" and "SIGN IN". The main content area features three cards:

- Onshape Professional**: Our commercial-tier plans will help your business speed up your time-to-market and also better protect your intellectual property. Onshape Professional unlocks private documents, formal release management, company-wide admin tools, enhanced data management, and other productivity features. Request your **PROFESSIONAL TRIAL** →
- Onshape Education**: Onshape's free Education Plan is the best CAD solution for academic settings. Onshape Edu gives students and educators access to everything from the basics to the more advanced tools, including: multi-part design, configurations, simultaneous sheet metal tools, standard content, and managed in-context design. Verification required. Request your **EDUCATION ACCOUNT** →
- Onshape for Makers**: Onshape proudly supports the maker community with professional-grade CAD, available free for non-commercial projects in an open-source public work space. Request your **PUBLIC MAKER PLAN** →

The "REQUEST A TRIAL" button in the top right and the "PUBLIC MAKER PLAN" button in the bottom right card are highlighted with red boxes.

Click “Get Started”

The screenshot shows the OnShape website's 'Onshape Free' page. The page has a dark blue header with the OnShape logo on the left and navigation links for 'PRODUCT', 'PRICING', 'RESOURCE CENTER', and 'INNOVATION BLOG' on the right. There are also buttons for 'REQUEST A TRIAL' and 'SIGN IN'. The main content area features the heading 'Onshape Free' and a sub-heading 'Onshape Free extends fully capable modern CAD tools to non-professional designers.' Below this is a paragraph of text explaining the benefits of OnShape Free. A green 'GET STARTED' button is prominently displayed and highlighted with a red rectangular box. At the bottom of the page, there is a section titled 'The Power of a Modern CAD Platform' with a sub-heading and a paragraph of text, accompanied by an image of a 3D mouse and a screenshot of the OnShape software interface.

Onshape Free

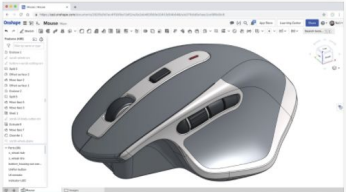

Onshape Free extends fully capable modern CAD tools to non-professional designers.

At no cost, hobbyists, makers, and others who are willing to freely share their designs can pursue their projects without the hassles commonly found in old CAD systems. Onshape is accessible from any device, never loses data, and makes sharing and collaboration easy. For the ability to create private design data, see Onshape Professional.

GET STARTED

The Power of a Modern CAD Platform

Onshape saves you time with Parametric Modeling 2.0, a fundamentally better way to model using multi-part design, configurations, simultaneous sheet metal tools, standard content, and managed in-context design.

OnShape Account Creation

Set the default Length Units to “Centimeter”

The screenshot shows the OnShape account creation process. A modal dialog titled "Set your default units" is displayed in the center. The dialog contains four rows of settings, each with a unit and a decimal places dropdown:

- Length units: Centimeter (highlighted with a red box)
- Length decimal places: 0.123
- Angle units: Degree
- Angle decimal places: 0.123
- Mass units: Pound
- Mass decimal places: 0.123

At the bottom of the dialog, there is a progress indicator with four steps: 1. Units, 2. Mouse controls, 3. Profile, and 4. Browser check. The "Next" button is highlighted with a red box.

In the background, the OnShape web interface is visible, showing the user's profile and a notification for "What's new in Onshape 1.126".

OnShape Account Creation

Click "Next" on the mouse controls page

The screenshot shows the OnShape account creation interface. A modal dialog titled "Set your mouse controls" is displayed in the center. The dialog contains a diagram of a mouse with callouts for "Pan" (Ctrl + Right mouse button drag or Middle mouse button drag), "Zoom" (Scroll wheel in/out), and "Rotate" (Right mouse button drag). Below the diagram is a dropdown menu set to "Onshape (default)". At the bottom of the dialog, there is a progress indicator with four steps: "1 Units", "2 Mouse controls", "3 Profile", and "4 Browser check". The "Next" button is highlighted with a red rectangle.

OnShape Account Creation

Type out a nickname and click “Next”

The screenshot shows the OnShape web interface during account creation. A modal dialog titled "Set your profile" is centered on the screen. The dialog contains the text "Let others know who you are and collaborate together in real time" and a profile picture placeholder. Below the placeholder is a "Nickname" input field containing the text "Navod", which is highlighted with a red rectangle. To the right of the input field, there is a note: "Secure when creating using your browser" and a bullet point: "Used when creating and approving drawings". At the bottom of the dialog, there is a progress indicator with four steps: 1. Units, 2. Mouse controls, 3. Profile, and 4. Browser check. The "Next" button is highlighted with a red rectangle. In the background, a notification banner for "What's new in Onshape 1.126" is visible, and the main interface shows a sidebar with navigation options and a top navigation bar.

OnShape Account Creation

Once the browser check is done, click “Done”

The screenshot shows the OnShape web interface during account creation. A central dialog box titled "Browser check" is displayed, indicating that the browser is compatible. The dialog includes a green checkmark icon and the text "Browser looks good!". Below this, it states "Your browser requires WebGL and a WebSocket connection for Onshape." and provides a link to "Learn more about Onshape's system requirements." At the bottom of the dialog, there is a progress indicator with four steps: 1. Units, 2. Mouse controls, 3. Profile, and 4. Browser check. The "Done" button at the end of the progress bar is highlighted with a red rectangle. In the top right corner of the browser window, there is a notification for "What's new in Onshape 1.126" with a "Done" button. The background shows the OnShape dashboard with a search bar, navigation menu, and subscription information.

OnShape Account Creation

Account creation is done!

The screenshot displays the OnShape web application interface. At the top, there are browser tabs for 'Onshape Free Plan | Onshape', 'Signup - Onshape', and 'Documents'. The address bar shows 'cad.onshape.com/documents?resourceType=filter&nodeId=1'. The main header includes the OnShape logo, a search bar, and navigation links for 'App Store', 'Learning Center', and 'Navod'. A notification banner at the top reads: 'Your Free subscription only allows public data. Try Onshape Professional to create, edit and share private data with your team. Try Professional'. Below this is a 'Create' button and a 'My Onshape' section. The main content area features a table with columns for 'Name', 'Modified', 'Modified by', and 'Owned by'. A central message box says: 'Welcome to Onshape. You can get started by clicking the Create button, or follow the self-paced courses in the Learning Center.' On the right, there is a 'What's new in Onshape 1.126' notification and a large 'On' logo with the text 'Select a document or folder to view its details'. The bottom left shows the subscription status 'Subscription: Free' and buttons for 'Try Professional' and 'Upgrade'. The footer contains copyright information: '© 2013 - Present, Onshape Inc. All Rights Reserved. Terms & Privacy (1.126.26830.f2185ea7e1e8)'.
